Coach

CodeWiz

May 2020 - Present, Remote

Taught children aged 7-14 coding and computer skills, like JavaScript, HTML/CSS, Unity, Godot, Python, Blender, and Java.

Contest Chair, President, Organizer

Junior High Math Contest

May 2019 - May 2021, Aurora IL

Organized a math competition where 450+ middle school students competed in a day-long math sprint. Developed website for 2021 (online) competition.

Creator

IMSA Grades

May 2020 - August 2020, Remote

Created imsagrades.com for students at my high school to view grade data. The data was gathered via a FOIA request.

Facilitator

Leadership Education and Development

May 2019 - May 2021, Aurora IL

Led a classroom of 15 students in weekly discussions about leadership theories, modern conflicts, and case studies.

Logistics Director

Senior Class Club, Illinois Mathematics and Science Academy

May 2019 - May 2021, Aurora IL

Raised over \$25,000 for my class by creating auctions, organizing 5k runs (now a tradition), and creating online shops during COVID.

EDUCATION

Bachelor of Computer Science

Georgia Institute of Technology

2025, Atlanta GA

High School Diploma

Illinois Mathematics and Science Academy

2021, Aurora IL
